

CLIENT QUESTIONNAIRE

Client Information	
Name:	
Address:	
Email:	

These are a few of the questions we will cover as part of the Consultation. The information I collect during this conversation will help guide me as I create a plan and design custom to your needs and goals.

Feel free to complete and return this questionnaire in advance, or we can cover it together during the consultation.

You can use this as a way to start thinking about your goals.

- What is your primary goal?
 - Creating habitat
 - Creating an outdoor space
 - Invasive species removal
 - Using native plants to create an aesthetically pleasing garden around your home

- How familiar are you with native plants and naturalistic design concepts?
 - New to me
 - Some understanding
 - I can teach a class
 - Do you struggle with any invasive species? YES/NO
 - Are you looking for invasive species management guidance? YES/NO
 - Are you looking to attract a specific kind of wildlife?
 - Birds
 - Butterflies
 - Salamanders
 - Pollinators/Insects
 - I want them ALL
 - Do you have an HOA?
 - How bad is your deer problem?
 - Are there any native plants you really like and want me to include?
 - Are you looking for a formal clean design or a more naturalist approach?
 - Is your property a new construction? How old?
 - Would you be interested in grant funding if available?
 - Do you know yet if you will be doing the installation yourself, have your own crew, or looking to utilize our services?
 - Do you have dogs or kids that utilize this space?
 - How do you currently utilize the space?
 - How do you envision utilizing the space in the future?
 - Who will be doing the maintenance of the planted areas, the lawn areas?
 - Do you have a septic field, sprinkler system, or any other buried services I should be aware of?
 - Do you have a budget in mind?
-
